Limited Gallagher Team Availability July 10-12

Gallagher's primary differentiator is consistently providing our partners with the necessary resources and expertise to enhance efficiencies and drive revenue. One way we achieve this goal is by prioritizing the growth and education of our team.

We will be holding an on-site training event for our internal Sales & Operations Team at Gallagher Global Headquarters from July 10 to July 12.

While we have a plan in place to handle your priority inquiries, during this time our access to email and voicemail will be limited which may cause a delay in response times. If you have any urgent matters which require immediate attention, we kindly request that you reach out to your dedicated sales support team and they will address your inquiries as quickly as possible.

Thank you for your ongoing partnership – we sincerely appreciate the opportunity to earn your business.
